I approve both the changes to the budget (SMART classroom amounts and the names being added to the projects) and also to the annual budget itself as a whole. I certify that I have read and reviewed the entirety of the documents and their changes.

Subject: Annual Budget

On September 21, 2009 a STAT meeting was held to approve the annual budget and to review other agenda items. During roll call Megan Smith, SGA President in Shreveport announced the SGA Treasurer had to have a re-election. The meeting was dismissed at this time. During the discussion for a new time for the meeting, the STAT committee asked for the annual budget to be sent electronically for approval because of time restraints, class schedules and student clinical.

Shreveport SGA President, Megan Smith, said the elections and announcement should be made the afternoon of October 1, 2009. The STAT committee received all information pertaining to the budget the week prior to the September 21, 2009 meeting.

Attached you will find the annual Student Technology budget: two changes were made to the budget: 1) the amount for the SMART classrooms went down and 2) names of projects to include dept.

Please email me ASAP with your approval or not.

Thanks.

P.S.: If passed, Kayla I will need you to come by the office to sign the budget so it can be sent to Baton Rouge from the president’s office.
